**WIA BULLETIN NO. 4-09**

**TO:** WIA Partners

**SUBJECT:** WIA American Recovery and Reinvestment Act of 2009 Allocations for  
April 20, 2009 – June 30, 2010

**PURPOSE**

The purpose of this bulletin is to transmit American Recovery and Reinvestment Act of 2009 (ARRA) allocations for programs under Title I of the Workforce Investment Act (WIA).

**BACKGROUND**

The ARRA funding allotments for WIA Title I programs were issued in Training and Employment Guidance Letter (TEGL) No. 13-08 on March 6, 2009. These funds must be distributed in accordance with the WIA statute and the WIA State Plan for Hawaii.

The ARRA, Public Law 111-05, was signed by President Barack Obama on February 17, 2009. This law requires the United States Department of Labor to obligate the funds to states within 30 days of its enactment, which is no later than March 19, 2009. In turn, states must obligate ARRA funds to local grant recipients within 30 days of federal obligations to states.

The ARRA WIA allocations are as follows:

Youth Program	\$ 2,918,025
Adult Program	\$ 1,234,406
Dislocated Worker Program	\$ 2,161,193

## **POLICY**

ARRA WIA funds shall be expended according to WIA requirements with the following differences for ARRA:

1. ARRA funds must be tracked and reported separately. (Federal financial and participant reporting instructions are expected in late spring.)
2. ARRA funds should significantly increase the number of total participants served and number enrolled in training or training duration. (Budgets should reflect these increases.)
3. The upper age limit for the ARRA Youth program is 24 (instead of 21).
4. A significant portion of ARRA Youth funds should be spent on a summer employment program **this** year.
5. Training should be focused upon jobs in high growth industries such as healthcare, child care, education, green jobs, energy efficiency and environmental services.
6. ARRA WIA funds are available to states for two (2) years but the legislation intended that most of the funds be spent within the first year. To ensure timely expenditures within the State of Hawaii and avoid rescissions to the extent possible, ARRA WIA agreements with counties will be for the period April 20, 2009, to June 30, **2010**.
7. Other requirements that may be issued in the future, such as reporting instructions and federal policy guidance, will apply to the expenditure of ARRA funds.
